## Sexual Information Questionnaire

This questionnaire is designed to help understand your sexual history, attitudes, behaviors, and any underlying personal or relationship issues, any or all of which may be contributing factors to the issue, problem or question for which you seek consultation. All information in this questionnaire is held in the strictest confidence.

Answering all questions is *voluntary and optional*, however please be aware that the more information you provide, the more information Sam Wallace, M.S., L.P.C. will have to assess your situation or question, and provide you with a comprehensive consultation.

Name:

Email contact address:

Gender:

Age:

Age of current partner (if you have one):

Gender of current partner (if you have one):

State/Country:

Relationship status:

Sexual Orientation:
